

OUR HYGIENIC CONCEPT

We want you to feel safe and comfortable with us. Not only since the outbreak of the Corona pandemic we have high hygiene standards, but due to the still prevailing pandemic special, additional rules apply:

- Keeping a minimum distance from other guests and staff
- Wear a mouth and nose mask in all public areas
- Regular hand washing and hand disinfection
- Adherence to sneezing and coughing etiquette

WHAT WE DO:

- All hotel employees wear mouth and nose masks
- Regular airing of public areas and guest rooms.
- Surfaces in public areas (counters, tables, door handles, elevator buttons, etc.) and in guest rooms and bathrooms (remote controls, hair dryers, etc.) are cleaned every day with appropriate disinfectants
- Precautions such as glass screens at the reception desk and placing service in the restaurant have been taken
- In the restaurant and conference area a modern ventilation system exchanges the ambient air 3 times per hour
- We comply with all regulations of the state government and update our concept to the valid regulations

FURTHER INFORMATION

- Our fitness and wellness area has to be closed for an indefinite period of time due to the regulation of the state government
- Our restaurant is currently only open for hotel guests
